

RETURN FORM

Want to return your jewelry? Send your jewelry back to Taj, then we will happily give you a refund. You can return your jewelry within 14 calendar days after you've received your order, provided that the jewelry has not been worn and is undamaged.

This is what you do:

1. Print and fill out this return form.
2. Send your jewelry back to Taj, unworn and undamaged. Use the original packaging (or a similar envelope or box) and send the package to Taj with Track and Trace. Please note: a package with Track & Trace is not necessarily the same as a registered mail package (registered mail is usually more expensive).

The shipping costs for sending your jewelry to Taj are at your own expense. If you send your package without Track & Trace and the package gets lost, then you as a buyer will be held responsible. That's why you need to keep your Track & Trace code and make sure you don't lose it.

3. Send the package to:

Taj Amsterdam
Bongerd 33
6581 TJ Malden
The Netherlands

Please fill out this part:
