

Compact Disc Golf Cart Shelf Assembly

KIT PARTS:

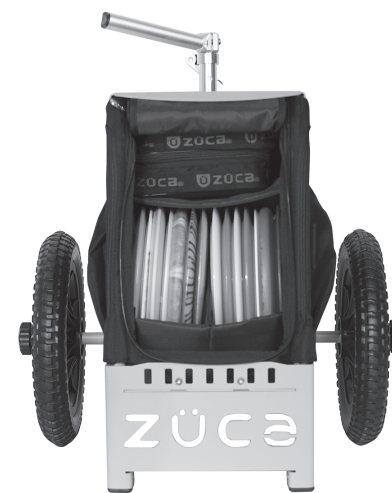

1. Open front flap and insert bottom shelf by attaching velcro as shown.

2. Place a few discs into the bag (this will help with placing the top shelf).

3. Insert top shelf by attaching the velcro facing downwards. Place just above the height of your discs for best functionality.

4. Fill your bottom shelf with discs and place the Mini Utility Pouches on the top shelf. You are ready to roll!
