

Delivery Information & Sustainability

We hope you're looking forward to your order!

We'll make sure your filters arrive quickly and safely. Our dispatch process is designed to offer you a hassle-free shopping experience. Should anything not quite meet your expectations upon delivery, our team is here to help straight away - we'll always find a straightforward solution for you.

Sustainability: Climate-neutral delivery

Here at KWL-FilterOnline, we're thinking about tomorrow. We place great importance on keeping our environmental footprint as small as possible.

- **Our sustainable delivery service with DPD:** Here at KWL-FilterOnline, we want to do our bit for a greener future. That's why we dispatch our parcels in partnership with DPD, a delivery partner committed to delivering all parcels in a carbon-neutral way.
- **Environmentally conscious logistics:** By working with partners who prioritise efficient route planning and modern vehicle fleets, we actively minimise our CO₂ emissions.
- **Sustainable packaging:** We take care to use packaging materials as efficiently as possible in order to minimise waste and conserve resources.

Shipping Costs Overview

Country	Delivery charges	Free delivery on orders of
