

Course

CQB Advanced Course

Duration

2 days - 16 hours / Theoretical-Practical: 2Hr-14Hrs

Level

Safe manipulation of weapons. Basic knowledge of tactical judgement.

Objective

The CQB Advanced Course has its objectives to implement the various techniques in a realistic, tactical scenario. As many facets of CQB as possible are taught at a more advanced level.

For Who

Only Law Enforcement, armed security personnel and military. The actions being performed are more advanced and require a good basis of CQB and a solid tactical know-how.

Content

The course is based on SOF-techniques and tactics and adjusted to law-enforcement domestic procedures.

- Refreshment of basic CQB
- In depth training of CQB-techniques and tactics.
- Technique training of the advanced drills of Tactical Urban Movement.
- Weapon handling in a stack.
- Advanced Team Tactics
- Immediate Action Drills in Team
- Upscaling of parameters to increase ready knowledge.
- Realistic FOF scenarios based on daily work.

1-on-5 ratio instructor-participant
