

Rewards

Our fidelity program

Enroll and get benefits of our rewards program

1 point offered for every euro spent

Earn points every time you spend

We give you 1 point for every euro spent in store and online.

Let's take an example: you visit today our store and you spend 25 euros then your rewards account is automatically credited with 25 points.

It works as well for all online orders. You can see the points that we are giving you during the check out process.

You can easily check your points online.

Double your points with VIP status

Once you have earned 400 points then you will automatically get the **VIP status** and we will double your points.

With the VIP status, for every euro spent we give you 2 points so you can accumulate your points even quicker!

Great and generous rewards

You don't need to wait a long time before to receive your first reward! With only 5 points, we receive a lollipop for free and it never stops!!! With 20 points, a chocolate bar and so on...

We are so generous with our rewards that we get really excited to propose this fidelity program to you!

Using our website, on the basket page, simply click the rewards button and you discover immediately if you can get some of your selected articles for free. So simple, so much fun!

How it works:

For example, your rewards balance shows 5 points available. For this amount of points, you can have any smiley lollipop for free. Simply put a smiley lollipop in your shopping cart and then click the reward button. You will see the lollipop proposed as free product. Simply tick this offer and you will see the total amount being amended automatically.
