RETURN FORM

Please fill in this return form, before returning your product(s). Don't forget to add the form to the return package!

All products have a reflection period of 30 days, starting on the day you receive the last product of your order. The return process must be started within this period. The product can be returned if the product:

- is undamaged,
- is unused,
- is complete; with original package,
- the defect is not outside the warranty period,
- falls within 30 days of purchase period.

If the product does not meet the above conditions, handling and service costs will be charged.
