## Grill Settings:

The screenshot shows the 'SMOKER' app interface. At the top, there's a status bar with '中国联通', '07:14', and '84%' battery. Below it, a red header bar contains a back arrow, the title 'SMOKER', and a grill icon. The main area features a large red semi-circular gauge with '°C' at the top, '18' in the center, and 'GRILL SET 220°C' below it. The gauge has a red needle pointing to 18 and a grey needle pointing to 220. To the left of the gauge is '71°C' and to the right is '282°C'. Above the gauge are two icons: a red Wi-Fi icon and a blue Bluetooth icon. To the right of the gauge is a red 'ON' button. At the bottom, there are three black boxes: 'PROBE/ONE' with '000' and '107°C', 'PROBE/TWO' with '---' and 'GOAL TEMP..', and 'PROBE/THREE' with '---' and 'GOAL TEMP..'. A red footer bar contains a gear icon, 'SET UP', a list icon, and 'RECIPE'.

Create a new recipe:

The screenshot shows a mobile app interface for creating a recipe. At the top is a red header with a back arrow and the title 'Recipe creation'. Below the header, the 'Creator' is set to 'smokeybandit'. The 'Recipe name' field is empty, with a placeholder text 'Please input name'. Below this is a table with columns 'Step', 'Temp(°C)', and 'Time(M)'. The first row shows '1', '107', and '5'. To the right of the table are red '+' and '-' buttons. At the bottom are two buttons: 'Save' (black) and 'Generate' (red). The bottom of the screen shows a black navigation bar with three icons: a hamburger menu, a circle, and a back arrow.

Step	Temp(°C)	Time(M)
1	107	5
