Cleanroom sticky notes

Ideal for use in cleanroom environments.

Specifications:

The Purus LCIB 1000C adhesive cleanroom notepads are the ideal solution for taking notes and making annotations in cleanrooms up to ISO class 4. These high-quality notepads are specifically designed for use in environments where contamination control is crucial.

Features of the Purus LCIB 1000C adhesive cleanroom notepads:

- Suitable for cleanrooms: Thanks to the synthetic material, the Purus LCIB 1000C notepads are suitable for use in cleanrooms up to ISO class 4.
- High-quality material: The notepads are made of durable, synthetic material with a weight of 68 gsm (grams per square meter).
- Convenient size: With dimensions of 76 x 76 mm, the notepads offer ample space for notes and annotations, while remaining compact and easy to handle.
- Self-adhesive: Each sheet is equipped with a self-adhesive strip, making them easy to stick to surfaces.
- Autoclavable: The Purus LCIB 1000C notepads are autoclavable.
- Practical packaging: The notepads are supplied in convenient blocks of 50 sheets. Each box contains 100 notepads, giving you an ample supply.
- Color: The light blue color of the notepads ensures good readability of your notes.
