

AURO-Produkte werden auf Basis natürlicher Rohstoffe hergestellt. Produktreste können einfach kompostiert werden. Die verwendeten Inhaltsstoffe kehren so in den Stoffkreislauf der Natur zurück.

AURO products are manufactured on the basis of natural raw materials. Product residues can easily be composted. Thus the ingredients are returned to the natural materials cycle.

Les produits AURO sont fabriqués à partir de matières premières naturelles. Après l'application, les résidus peuvent être tout simplement compostés. Les matières premières utilisées réintègrent ainsi le cycle naturel.

Auro producten zijn gemaakt op basis van natuurlijke grondstoffen. Productresten kunnen eenvoudig worden gecomposteerd. Natuurlijke kringloop, geen chemisch afval.

Le pitture AURO sono prodotte con materie prime naturali. I residui della lavorazione essiccati possono essere facilmente compostati. In questo modo gli ingredienti vengono restituiti al ciclo naturale dei materiali.

Los productos de AURO están fabricados a base de materias primas naturales. Los residuos son biodegradables y por eso enteramente reintegrables en las circulaciones ecológicas.

Τα προϊόντα AURO παράγονται με βάση τις φυσικές πρώτες ύλες. Υπόλοιπα των προϊόντων κομποστοποιούνται εύκολα. Έτσι όλα τα συστατικά επιστρέφουν στη φύση, μέσω του βιολογικού κύκλου.
