

# ESZ500D\_230V

## electrical wire rope hoist 500kg

### highlights

Electric cable hoist, ideal for lifting and moving loads.

- long operating cable
- coated steel sheet
- alu-die-cast engine and gearbox housing
  
- payload
  - max. 250 kg at max. 12 m
  - max. 500 kg at max. 6 m
- 4,2 mm steel rope, 1770 N/mm<sup>2</sup>

# 139,00

# ESZ500D\_230V

## electrical wire rope hoist 500kg

### technical details

motor power s1 in W	900 S3(25%)	voltage	230V 50Hz
gross weight in kg	17	net weight in kg	16,500
packaging width in mm	157	packaging length in mm	377
packaging height in mm	250	EAN code	9120058376146
