PRODUCT DESCRIPTION

Panta Pocket Cam – Mini camera records when motion is detected – at day and night

This versatile mini camera stores photos and videos in HD at 1280x720p resolution. The built-in motion sensor is able to detect the slightest movement and automatically starts or stops the recording. Panta Pocket Cam is equipped with 6 built-in infra-red lights, and is therefore ideal for recording at night. With the 140 degree camera angle and loop function, you always have everything in your sight.
