## WE PROUDLY PRESENT THE WESTINGHOUSE RETRO SERIES.

The **RETRO SERIES** exists of everyday essentials and nice must-haves in a retro-meets-modern design.

The iconic colours Vanilla White, Cranberry Red and Liquorice Black will give your kitchen a vintage touch.

‘From the company that puts you first.’

# VANILLA WHITE

The heart-warming **VANILLA WHITE** colour will bring your mood back in time.

try not to think about vanilla cake and vanilla custard when you see our vanilla white appliances.

as it is a good old basic colour, The colour will blend in every kitchen.

Place it in a modern, no-nonsense kitchen to keep the clean look or create balance in a kitchen with patterns and colours.

# CRANBERRY RED

To stay in the retro mood, **CRANBERRY RED** is elected to be one of the iconic colours of the Westinghouse Retro Series.

Do you remember the warm colour of cranberry chutney?

To give your kitchen a subtle colour accent, Cranberry Red is the perfect choice.

# LIQUORICE BLACK

Liquorice has been discovered a long time ago.

**LIQUORICE BLACK** gives a real authentic feeling and so does the Retro Series.

If Vanilla White and Cranberry Red are a bit too overwhelming, Liquorice Black would be a perfect match.

Thanks to the matte finishing this colour black is trending, so it would always be the right decision.

# RETRO KETTLE

There's nothing like a pot of tea to start the day right.

The electric Westinghouse **RETRO KETTLE** with classic retro designed look will make sure you can prepare tea in style.

It also includes a removable, dishwasher-safe limescale filter.
