CARDIO ACCESSORIES

HEART RATE MONITOR CHEST BELT

Heart Rate Training - Workout efficiently - view real-time heart rate, training zones and calories burned on your smartphone or tablet. Compatible with Tunturi Routes and other training apps. Bluetooth 4.0 and ANT+ technology allows to connect with all bluetooth Tunturi cardio machines, smartphones and tablets, as well as GPS watches. Ultra low power consumption, with a replaceable CR2032 battery. Adjustable strap is surprisingly comfortable, the strap length is 65 cm - 95 cm, can be adjusted to your size.

Art. code 14TUSRU185

FREE WEIGHTS

SELECTOR DUMBBELL 12.5KG

This dumbbell is adjustable from 2.5 kg to 12.5 kg, using a unique dial system. Very compact system which replaces multiple dumbbells with a small work out space. With just a push and slide, you can change your weight setting between 2.5 to 12.5 kg instantly. Number of weight settings: 5 (2.5 ; 5.0 ; 7.5 ; 10 ; 12.5 kg). Dimensions LWH: 35 x 20 x 16 cm.

Art. code 14TUSCL400

CABLE ACCESSORIES

NEOPRENE/VINYL DUMBBELL RACK

Ideal black powder coated rack to store 10 pairs of vinyl or neoprene dumbbells.

Art. code 14TUSCL392

SINGLE TRICEP ROPE

The single tricep rope is 37 cm long and is made of strong black nylon. At the end of the Tricep single rope there is a rubber knob that prevents your hand(s) from slipping off and also serves as an extra hand grip.

Art. code 14TUSCL393

WALL MOUNTED BARBELL STORAGE

The Wall mounted bar rack is ideal for storing bars neatly and safely to save space. The rack holds up to six 50 mm bars. A strong frame and a distinctive, tight PVC lining which protects the bars from being damaged mean it is suitable for intensive commercial use! The rack is matt black powder coated so it is perfect for CrossFit boxes.

Art. code 14TUSCF103

STRAP HANDLE PAIR

The Strap handle is fitted with a lightweight but sturdy 14 cm grip for multifunctional exercises.

Art. code 14TUSFU306

OLYMPIC JUNIOR BAR

The Olympic junior bar is a short Olympic bar which is 150 cm long and weighs 12 kg. The bar is made of steel with a brushed steel finish. Diameter: 50 mm.

Art. code 14TUSCL399

SUPPORT

PADDED LIFTING STRAPS

Heavy-duty lifting straps with comfortable padding (pair).

Art. code 14TUSCL394

PRO PADDED LIFTING STRAPS

Pro use lifting straps with comfortable padding and velcro closing (pair).

Art. code 14TUSCL395

PRO WAIST BAND

The Pro waist band retains body heat and lets sweat through. Made of very comfortable EVA, with strong double velcro to strap up very tight.

Art. code 14TUSCL398

FITNESS GLOVES - EASY FIT PRO

This glove is very comfortable and gives extra grip during training. To be used during training with weights and other purposes such as cycling and rowing. Velcro closure, maximum ventilation and excellent fit. Material: Mesh with foam filling.

LANDMINE

Universal Landmine Insert, 20 cm pivot bar sleeve & 10 cm base post fit into standard Olympic bars & weight plates for performing T-bar row & landmine exercises. Provides a safe environment for performing intense lifts, presses & shrugs. Dynamic unit features complete circle rotation & wide-range pivot movement.

Art. code 14TUSCL412

MINI DEADLIFT BAR JACK

Loading and unloading the barbell for ground lifts just got a whole lot easier with the Mini Deadlift Bar Jack. With this Bar Jack you can lift the barbell quickly and easily to add or remove plates from the bar. This comes in handy when you have a large amount of weight on the bar. The size of this Mini Bar Jack makes it easy to store. Built-in handle makes it easier to lift the bar to switch weight. Padded hooking grip to prevent scratching to the barbell.

Art. code 14TUSCL409

YOGA

YOGA TONING BALL

The PVC Material used for the shell of these Toning Balls offers a lovely, soft to the touch yet grippy surface to hold on to during exercise, reducing the risk of the balls slipping during use. They are suitable for a huge range of exercises including use for Pilates, Yoga, Plyometrics, Rehabilitation, Balance Training, Toning and Strengthening as well as being ideal for increasing your range of motion. These Balls are filled with sand, making them much safer to use, in the event that they are dropped, they will not inflict injury on the user nor will they damage the floor. Available in one size and 2 colors/weights (1kg - Turquoise, 1.5kg - Anthracite).

ECO

CORK TPE YOGA MAT

Eco Friendly, 100% natural cork material mat surface + Eco TPE underside. Non-toxic, odor-free, No harsh chemicals, Antibiosis and mildew proof. Anti-slip because of the wood texture. Supplied with black elastic carrying cord. Dim: 183 x 61 x 0.4 (LWH in cm).

Art. code 14TUSYO058

ECO

CORK MASSAGE BALL SET

Eco-friendly, 100% natural cork material Massage Ball Set. Non-toxic, odor-free, No harsh chemicals, antibiosis and mildew proof. Set of 2 balls with different size (6.5 & 5 cm dia). By "rolling" with the cork ball you promote the recovery of the deep muscle zones after training (soreness) and ensure that you regenerate faster. Treat knotted muscles with trigger point massage.

Art. code 14TUSYO060

ECO

TUNTURI CORK MASSAGE ROLLER

Made from high-density natural cork. Roller is solid and will improve the flexibility of muscles and fascia and support regeneration. Enhances muscular flexibility, dynamic strength and balance. Will not lose shape or turn 'lumpy'. It's an excellent self-massage tool for de-activating trigger points and for functional exercise. This eco-friendly product is made of 100% cork, which is a highly renewable, biodegradable and recyclable resource, as no trees are cut down in the production.

Art. code 14TUSYO061

ECO

CORK YOGA BLOCK

Highly durable eco-friendly natural cork brick offering superior grip and support. Helps you deepen your flexibility, reach more difficult poses, and enhance balance. Made of high-density, sustainable cork - 100% natural and non-toxic. Naturally non-absorbent & moisture proof - more effective at wicking away sweat than foam blocks. Size : 23 x 15 x 7.5 cm.

Art. code 14TUSYO050

EVA MASSAGE BALL

Light weight massage ball can be used before and after workout, running, cycling, walking, etc. Relax your muscles. With this massage ball, the whole body can be free from pain. EVA foam is skin-friendly and increases comfort. Color: Black.

Art. code 14TUSYO064

PILATES RING

The Pilates ring is the best partner in stretching exercise, to relax and stretch muscles after an anaerobic exercise, body-stretching is necessary because it can prevent muscle from being stiff. The steel core and rubber coating ensure a strong and durable support, withstand even heavy endurance exercises. The soft plastic handles provide firm and non-slip grips for worry-free use. Color: black.

Art. code 14TUSYO066

RESISTANCE TRAINING

RESISTANCE TRAINER

The Resistance Trainer is a resistance cord system to create a variable, unbalanced load that enables you to develop core strength, explosive rotational power, flexibility and endurance. Includes the metal bar, medium resistance bungee, door anchor and safety strap.
