MyElectronics

Product Launch

19 inch Rack Mounts
Raspberry Pi

Especially for the Raspberry Pi
we developed a whole new series
of 19 inch rack mounts!

Including a line of accessories like blank
covers and inserts/connectors for LAN,
USB3, USB-C, Audio and HDMI.

Pricing of 19 inch Raspberry Pi rack mounts starts at € 39

MyElectronics RackMounts for mini-PCs

We design and manufacture all kind of mini PC
Rack Mounts for Intel NUC, Raspberry Pi and Mac
mini in house.
When more computer power is needed, we build
and supply 19 inch short depth servers.

Own production and design

Since we do our own design and production, we
are very flexible and we can also make custom
designed computers on request.
We already delivered many private label PCs in
wall-mount or 19 inch. And even PCs in color and
with lasered company logo at the front.
