MYELECTRONICS RACKMOUNTS FOR MINI-PCS

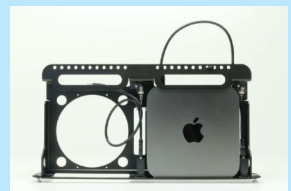

MyElectronics designs and manufactures all kind of Rack Mounts for Mac mini, Intel NUC and Raspberry Pi.

When more computer power is needed, we also build customized 19 inch short depth servers.

OWN PRODUCTION AND DESIGN

Since we design and produce everything ourselves, we are very flexible and we can also make custom designed Computers on request. We already delivered many private label PCs in wall-mount or 19 inch. And even PCs in color and with lasered company logo on the front.

- Modular system: all connectors and power buttons lead to front
- Create your own configuration with LAN, HDMI, USB, Audio, etc.
- Ideal format and light weight (aluminum) for portable racks
- Low depth for shallow (patch) racks
- Cable management
- Combination with Apple TV
- Combination with Raspberry Pi

**FITS ALL MAC MINIS FROM MODEL YEAR 2014
(2014 - 2018 - 2020 - 2020 M1 CHIP)**
