Reflexion period/Return

You have the right to cancel your order up to 14 days after receipt without giving any reason. Then After cancellation you have another 14 days to return your product. You will then be credited the full order amount including shipping costs when returning the entire order. If you return part of your order, only this part will be refunded and no shipping costs. The costs for returning from your home to the webshop are for your own account. It is best to consult the exact rates on the website of your carrier. If you make use of your right of withdrawal, the product will be returned to the entrepreneur with all accessories supplied and – if reasonably possible – in its original condition and packaging. To exercise this right, please contact us at info@littlethingz.be. We will then refund the order amount due within 14 days after registration of your return, provided the product has already been returned in good order.

If the product is damaged or the packaging is damaged more than is necessary to try the product, we can pass on this depreciation of the product to you. So treat the product with care and make sure that it is well packaged when returning.

Processing and reimbursement of a return.

The processing of a return takes approximately 3 to 5 working days after receipt. As soon as it has been processed and checked, the amount will be refunded as quickly as possible up to a maximum of 14 days after receipt of the return to the account with which the payment was made.
