

## LED Schijnwerper Swelo 24W

### Productspecificaties

|                   |                            |
|-------------------|----------------------------|
| Artikel nummer    | <b>LL-SW-24</b>            |
| Wattage           | <b>24W</b>                 |
| IP-Waarde         | <b>IP66</b>                |
| Input             | <b>AC230V</b>              |
| Kleur temperatuur | <b>3000k, 4000k, 5700k</b> |
| Bundel            | <b>120 graden</b>          |
| Driver            | <b>Meanwell</b>            |
| Chip              | <b>Edison</b>              |
| Lumen             | <b>3000lm</b>              |
| Afmeting module   | <b>220x170x45mm</b>        |

### Technische specificaties

|                      |                              |
|----------------------|------------------------------|
| CRI                  | <b>&gt;80</b>                |
| Efficiency           | <b>130lm/w</b>               |
| SDCM                 | <b>&lt;3</b>                 |
| Product life minimum | <b>40.000h L80 B50</b>       |
| Chip                 | <b>Edison</b>                |
| Driver               | <b>Meanwell</b>              |
| Diffuser             | <b>IK08</b>                  |
| TA                   | <b>-20C TA/ 40C</b>          |
| Powerfactor          | <b>0,95</b>                  |
| UGR                  | <b>N.V.T.</b>                |
| Uitval percentage    | <b>0,3%</b>                  |
| Certificaten         | <b>CE/ENEC/GS/RCM/CB/FCC</b> |
| Garantie             | <b>3 jaar</b>                |
