

Konftel Personal Video Kit

Conferencing Convenience. Anywhere.

The Konftel Personal Video Kit is designed for desktop users who demand professional quality video meetings. It includes the Konftel Cam10 business webcam and Konftel Ego professional speakerphone in a convenient package.

Create an enhanced visual and audio experience with a 90 degree viewing angle, full HD video output and OmniSound® audio performance. With USB plug and play, this portable kit is your perfect home and traditional office companion. For wherever you are working.

Whatever your preferred app or cloud service, the Konftel Personal Video kit fits your collaboration needs. Just connect the USB cables to your laptop or PC and you're good to go – with optional Bluetooth for audio too. With Konftel Cam10 privacy control is at your fingertips. A mechanical shutter functions as built-in lens cap, always available and within reach.

- Climate Neutral Certified

IMPRESS WITH CLARITY

Be seen as your natural self in high definition 1080p video. The Konftel Cam10 features innovative noise reduction technology, low light capabilities and swift autofocus. A generous and natural looking field of view combined with 4x digital zoom creates great flexibility.

CRYSTAL CLEAR WITH OMNISOUND

The Konftel Ego is the speakerphone with the Red Dot design award that stands out from the crowd with its convenient and compact form, flexible use and, above all, incredible sound quality. Despite its size, the Konftel Ego delivers crystal clear sound thanks to our unique OmniSound® audio technology.

TAKE CONTROL WITH THE CAMERA APP

To use the digital zoom feature with the Konftel Cam10, get the simple desktop app Konftel Camera Control. Both before and during video meetings you can zoom in/out and position the framing up/down and right/left (ePTZ). Even though the app is simple and easy to use, it holds a whole set of advanced settings for customization of image character and camera features. The Konftel Camera Control desktop app supports both Windows and Mac.

GO CLIMATE NEUTRAL

Konftel is certified in line with the Climate Neutral standard. This means that we have offset all our greenhouse gas emissions and are taking action to further reduce those emissions. When you choose a Konftel product, you keep a clear climate conscience while supporting your organization's growing need for video collaboration. Keep an eye out for the Climate Neutral Certified label, which indicates that all our products are climate neutral.
