

CARDBOARD PARTITION WALL

WHAT'S IN THE BOX PER WALL?

- 1x Partition wall A
- 4x Base B
- 4x Cap C

Caution! Fold towards the folding line.

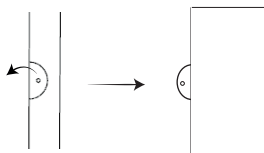

2x

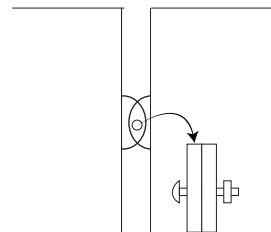

1. Check if you have all the parts.

2. Slide the base B into the notches of the Partition wall A as indicated on the image.

Connecting the partition walls

4x

4x

1. Fold the semicircles on the side of partition wall A as indicated on the image, now repeat steps 2 and 3 for the second partition wall.

2. Stand the walls upright and make sure the semicircles overlap. Now put cap C through the holes of the semicircles and fasten the partition walls together as indicated on the image.

2x

3. Now slide the partition walls into the desired angle and they are ready for use!
