About our dataprocessing

Below you can read how we process your data, where we save it, what security techniques we use and to whom the data is visible.

Webshopsoftware

LightSpeed

Our webshop has been developed using Lightspeed software. Personal data gathered with the use of our website and services is shared with Lightspeed. Lightspeed requires access to these details to offer (technical) support. They will not use this data for any other purposes. Lightspeed has an obligation, based on the agreement we have with them, to take necessary precautions and security measures when it comes to your personal data. Lightspeed uses cookies to gather technical information about the use of the software. No personal data is gathered and/or stored. Lightspeed maintains the right to internally share the gathered data to improve its own services.

E-mail and mailinglists

Office365

For our regular business email, we use the email services of Office365. This party has implemented fitting technical and organisational measures to prevent misuse, loss or corruption of your data. Office365 does not have access to our mailbox and we treat our email-traffic confidentially.

Payment processors

Mollie

For concluding and processing (part of) our payments in our webshop we use the payment provider Mollie. Mollie processes your name, address and residence information. They also process payment information such as your bank account number or credit card number. Mollie has implemented fitting technical and organisational measures to protect your personal data. Mollie retains the right to use your personal (anonymized) information to further improve their services and, within this context, share it with third parties. All the aforementioned guarantees in regard to the protection of your personal data are also applicable to any services by Mollie that uses third parties. Mollie does not store your data any longer than the instalments permitted by the appropriate legal grounds.

Reviews

Trustpilot

We collect reviews via the platform of Trustpilot. If you leave a review via Trustpilot, you are required to provide your name, place of residence and e-mail address. Trustpilot shares this information with us, so that we can link the review to your order. Trustpilot also publishes your name and place of residence on its own website. In some cases, Trustpilot may contact you to provide an explanation of your review. In the event that we invite you to leave a review, we will share your name and email address with Trustpilot. They only use this information for the purpose of inviting you to leave a review. Trustpilot has taken appropriate technical and organizational measures to protect your personal data. Trustpilot reserves the right to engage third parties for the purpose of providing the service, for which we have given Trustpilot permission. All the aforementioned guarantees with regard to the protection of your personal data also apply to the parts of the services for which Trustpilot engages third parties.

Transport and logistics

DPD

If you place an order with us, it is our job to have your package delivered to you. We use the services of DPD to perform the deliveries. It is therefore necessary that we share your name, address and city details with DPD. DPD uses this data only for the performance of the agreement. In the event that DPD engages subcontractors, DPD will also make your data available to these parties.

Accounting and Bookkeeping

MoneyBird

For our accounting, administration and bookkeeping we use the services of MoneyBird. We share your name, address, residential details and general details concerning your order/purchase.
