

LINEAR 50

FIRE PIT KIT

With its stylish design and ability to produce an elegant, elongated flame from a single XL900 burner, the Linear 50 Fire Pit Kit inspires fire designs for homes and intimate settings within commercial spaces.

Our new EcoSmart Fire Pit Kits come with everything you need to install an eco-friendly, ethanol fire pit indoors or outside, while a choice of six different shapes and sizes gives you the freedom to create a custom design that enhances your lifestyle, space and style.

No Flue or Chimney Needed

Our fireplaces don't need a chimney to vent harmful gases as burning liquid bioethanol doesn't produce any smoke.

Global Compliance

This model complies with existing standards in the USA, Europe, UK and Australia. UL Listed, EN 16647 BSI Certified ACCC Safety Mandate compliant.

To comply with EN 16647 the Indoor Safety Tray must be installed before operating indoors.

Inset Metal Tray

All Fire Pit Kit's feature an inset metal tray to house the compatible burner, included decorative media and glass fire screen.

Fire Screen

The toughened glass fire screen stabilises the flame in windy conditions.

Quick & Easy Installation

EcoSmart Fire Pit Kit's are completely self-contained, which makes them much simpler to install than gas or wood burning fireplaces. No flashing, roof work or plumbing is required for installation.

Simply drop into and then dress around the fireplace with your chosen finishing touch.

Environmentally-Friendly

Bioethanol fireplaces use an environmentally-friendly, renewable energy source that burns clean and delivers warming heat. You and your guests will enjoy the ambiance and tranquility of a real fire, without the hassles of burning real wood - no more embers, ash, and soot to clean up.

No Gas or Electricity

All the fuel is housed within the self-contained burner so you don't have to run pipes or cables through your walls.

Included Accessories

Jerry Can

Lighting Rod + Lighter

Black Glass Charcoal

XL Baffles

Fire Screen

Linear 50 Fire Pit Kit
