life is an adventure...

About Stef -

just a girl with a camera and a love for perfect moments

Photographer, travel addict & basketball enthusiast

I was born and raised near the beach in Ostend, Belgium, but since 2014 I go back and forth between this place called home and LA.

My passion for wedding photography comes from a need to create, challenge myself, and ultimately shoot some unbelievable pretty wedding photographs and memories.

Getting to know each couple and their unique story is my favorite part of the job. And I'm secretly super pumped when we all become friends!

I can't wait to meet you and work together. I value love and the amazing reality that is marriage done well, and I am thrilled to be a part of the start of the journey for every couple I work with!

- Stef

It's all about authenticity.

Can I tell you something?
I'm a bit of a sucker for real, dirty,
messy and honest love.

I think real moments are the best ones. So my style is all about getting real, honest emotions and natural photos. Of course I'll step in to tweak where you need a little guidance or help, but I do my very best to make sure you feel comfortable and can forget the camera as much as possible.

My style is more about getting you interacting with each other, rather than a lot of really formal posing. I will passion to capture all that your story is. I hope that your eyes catch the spirit of my work and that your heart catches the value and meaning within the photos.

FAQ

CAN WE BOOK YOU FOR ONLY A FEW HOURS?

I create custom packages for many clients, please contact me for more information. Your wedding photos will be one of the only visible things you have left to remember your day, so I always recommend capturing the entire event, instead of just a couple hours.

HOW MUCH DO YOU EDIT YOUR PHOTOS?

Post-processing is the most intensive part of your wedding as I work hard to ensure every image meets my artistic standard. Every photo has a custom look applied, and is adjusted for things like brightness and optimal colors.

DO YOU PROVIDE ALBUMS?

Full albums are not included in my packages, however I can definitely add one for you after the day is over! Wedding albums are an incredible keepsake to commemorate your day and to have a hard copy of all the artwork from your amazing day.

DO I HAVE TO USE YOUR STUDIO FOR MY PRINTS?

I offer prints and albums through my studio, but the way I see it, you've invested a lot for your photos, so you should have the freedom to do what you want with them for personal use. If you wish to buy prints through my studio, I'll gladly help you with picking out the best options in terms of paper, size and quantity.

DO YOU SHOOT IN COLOUR AND BLACK AND WHITE?

Yes, and YES! The beauty of shooting in Digital format is that I'm able to produce all your photos in either colour or black and white! When I develop the photos in the studio I select the medium that works best for each image.

HOW LONG DOES IT TAKE TO EDIT MY PHOTOS?

I push to have your photographs finished in 4 - 6 weeks. That said backlogs in busy summer months can mean a lot of editing, and I never want to compromise on quantity in a rush to finish faster, so your contract will state it may take 6 - 8 weeks in case circumstances arise that prevent me from maintaining that 4 - 6 week estimate.

HOW MANY WEDDINGS DO YOU PHOTOGRAPH?

I LOVE what I do, and put my heart and soul into every wedding I'm lucky enough to photograph. Because of the amount of time and individual focus I want to put into every wedding, I have to limit the number of bookings I take per season to 10 - 15 annually. This way every wedding I photograph receives all the attention and time it deserves.

I'M READY TO BOOK! WHAT NEXT?!

AMAZING! I can't wait to get to know you and I'm so thrilled you've chosen me. Contact me through mail and I'll send you full booking information.

Let's do
this!

I hope this guide has given you enough to give a sense of whether I'm the right photographer for you.

I know how big of a deal photos are. They're the one thing you have left of your wedding day to look back and remember all the beautiful moments. Because of this, I know how important it is to make sure that the photographer you go with is a perfect fit for who you are and the day you have planned.

That being said, before you make your decision, I'd love to get to know you guys better and chat over a cup of coffee to hopefully answer all the questions you'd have.

Just drop me an email or call anytime, and we can get the conversation started :)
