

Sustainability data sheet

Evidence of environmental and consumer protection

PCI[®]
Für Bau-Profis

Mineral waterproofing slurry

PCI Barraseal[®]

for basements, drinking water and wastewater areas

Ingredients		
SVHC - Substances of Very High Concern *	not included	
TRGS 610, Technical rules for hazardous substances	solvent-free	
Plasticizers	plasticizer-free	
VOC according to the Swiss VOC Regulation	no VOC (CH)	
Decopaint Directive	not relevant	
Emissions		
Baubook (AT)	listed at www.baubook.info	 <small>Produkt ist deklariert und validiert</small>
Environmental Product Declaration (EPD)		
Environmental Product Declaration (EPD)		
Modified mineral mortars, group 1	EPD-DBC-20220217-IBF1-EN	
LEED (Leadership in Energy and Environmental Design) Version 4.1		
VOC Content (GS 11 Green Seal Environmental Standard for Paints and Coatings)	< 1 g/l	
Prohibited substances	Does not contain any toxic substances such as formalde- hyde, asbestos, lindane, chlorinated biphenyls, penta- chlorophenol or other prohibited substances.	
DGNB (German Sustainable Building Council) Version 2023 / Criterion ENV1.2 - Risks for the local environment		
Assignment / group	Criteria matrix no. 3	
Quality level	QL 4	
SVHC - Substances of Very High Concern *	not included	
GISCODE	ZP1	
PCI Barraseal meets the requirements of the highest quality level QL 4.		
BNB (Assessment System for Sustainable Building) Version 2015 / Criterion 1.1.6 - Risks for the local environment		
Assignment / group	Criteria matrix no. 5/ 4	
Quality level	QN 5	
SVHC - Substances of Very High Concern *	not included	

Sustainability data sheet

PCI Barraseal®

GISCODE	ZP1
Other substances to be considered	solvent-free and plasticizer-free according to the VdL-Guideline
PCI Barraseal meets the requirements of the highest quality level QN 5.	
How to use	
<p>* SVHC - Substances of Very High Concern, which are listed in the current Candidate List according to Article 59 (10) of the REACH Regulation, in a concentration > 0.1% by weight</p> <p>This sustainability data sheet has been established on the basis of the current state of the art and our experience. In case of doubt or deviations, the information in the technical data sheets, safety data sheets and other relevant documents, such as declarations of performance, GEV EMICODE licenses, RAL certificates, general official approvals and environmental product declarations (EPD), are legally binding. These documents and current versions of the sustainability data sheets are available at www.pci-augsburg.eu. The user is responsible for verifying the information for the respective individual use of the products. Despite all the care taken in compiling the information, PCI Augsburg GmbH cannot accept any liability for the correctness and up-to-dateness of the information. If you have any questions, please do not hesitate to contact us at sustainability-pci-group@PCI-group.eu.</p>
