

**Product: Foran Equine Pre-Fuel Gel**

**Samenstelling/composition:**

- Gehydrolyseerde plantaardige eiwitten/hydrolysed vegetable protein
- Glycerine/glycerin
- Magnesiumsulfaat heptahydraat/magnesium sulphate heptahydrate
- Natriumchloride/sodium chloride
- Inuline/inulin
- Calciumgluconaat/calcium gluconate
- Kaliumchloride/potassium chloride

**Toevoegingsmiddelen/additives (per l):**

- |   |          |
|---|----------|
| - Zink/zinc                                     | 333 mg   |
| - Vitamine E/Vitamin E                          | 41650 mg |
| - Vitamine B1/Vitamin B1                        | 2665 mg  |
| - Vitamine B2/Vitamin B2                        | 3332 mg  |
| - Vitamine B6/Vitamin B6                        | 500 mg   |
| - Vitamine B12/Vitamin B12                      | 12495 ug |
| - Niacine/Niacin                                | 5000 mg  |
| - Calcium D Pantothenaat/Calcium D Pantothenate | 1666 mg  |
| - Cholinechloride/Choline Chloride              | 2500 mg  |
| - Kaliumsorbaat/Potassium Sorbate               | 3125 mg  |

**Analytische bestanddelen/analytical constituents:**

- |                           |       |
|---------------------------|-------|
| - Ruw eiwit/crude protein | 23,5% |
| - Ruw vet/crude fat       | 1,9%  |
| - Ruwe vezel/crude fibre  | 0%    |
| - Ruwe as/crude ash       | 12,1% |
| - Natrium/sodium          | 2,3%  |
