

THE JARFACTORY

Manufacturer of plastic packaging

A Word of Explanation

The Jarfactory, a division of IIP, is a small-scale family business specializing in plastic injection moulding and the production of precision moulds. In addition to custom-made products, IIP offers a wide range of jars for cosmetics.

All stages of the process, from concept design to toolmaking, production, artwork, and decoration, are carried out in-house, ensuring full control over quality and delivery.

Whether you choose from our standard range or require a bespoke, exclusive solution, we are here to support you every step of the way, providing design assistance, technical analysis, advice, and ongoing after-sales service throughout the product lifecycle.

If you need any assistance, please don't hesitate to contact our sales team at +32 52 42 33 19 or via email at sales@iip.be.

Colour outer jar and outer cover:	Translucent Translucent, black, white

The 30 ml jar is also available with a 15 ml inner jar.
a 35 ml Luxan Aphrodite jar is also available (Art Nr 0434)

Luxan Square

→ Specifications "LUXAN SQUARE" (THICK WALL JAR)

Volume	50 ml
Art Nr.	0440 +
Dimension jar/dimension cover	69,1 / 69,1 mm
Measurement: total height	46,7 mm
Material jar/cover	PETG + inner in PP/SMMA + PP
Colour outer jar/cover	translucent + white/black or white

Monolux-Serie (15 ml - 30 ml)

→ Specifications "Monolux" serie (THICK WALL JAR)

Volume	15 ml (Brimful 23 ml)	30 ml (Brimful 37 ml)
Art Nr. (jar + cover)	0605 + 0602	0601 + 0602
diameter jar/diameter cover	45/43 mm	45/43 mm
Measurement: total height	30 mm	44
Material jar/cover	SAN/PP	SMMA/SAN/PP
Colour Outer jar:	translucent/white	translucent/white

Mono-Serie (15 ml - 30 ml)

→ Specifications "Mono" serie

Volume	15 ml (Brimful 23 ml)	30 ml (Brimful 37 ml)
Art Nr. (jar + cover)	0603 + 0602	0607 + 0602
diameter jar/diameter cover	43,5/43 mm	43,5/43 mm
Measurement: total height	30 mm	44
Material jar/cover	SAN/PP	SMMA/SAN/PP
Colour Outer jar:	translucent/white	translucent/white

Single Wall Jar

→ Specifications 50 ml JAR

Volume	50 ml Brimful vol.: 80 ml	100 ml Brimful vol.: 128 ml	250 ml Brimful vol.: 290 ml
Art Nr. (jar + cover)	0410 + 0401	0411 + 0401	0414 + 0401
Measurements: diameter jar/cover	75/79 mm		
Total height	27 mm	40 mm	76 mm
Material	PP		
Colour	white/white		

Rounded cover

→ Specifications 150 ml Jar

Volume	150 ml/Brimful vol.: 180 ml
Art Nr. (jar + cover)	0412 + 0402
Measurements: diameter jar/diameter cover	100/100 mm
Measurement: total height	32,5 mm
Material	PP
Colour	colour combination possible

→ Specifications 250 ml Jar

Volume	250 ml/Brimful vol.: 300 ml
Art Nr. (jar+ cover)	0413 + 0402
Measurements: diameter jar/diameter cover	100/100 mm
Measurement: total height	47,5 mm
Material	PP
Colour	colour combination possible

→ Specifications 125 ml Jar 'Softline'

Volume	125 ml/Brimful vol.: 162 ml
Art Nr. (jar + cover)	0479 + 0478 - Softline
Measurements: diameter jar/diameter cover	67/67 mm
Measurement: total height	61 mm
Material	PP
Colour	colour combination possible

Sharp edge cover Art Nr: 0482

→ Specifications 200 ml Jar 'Malik'

Volume	200 ml/Brimful vol.: 258 ml
Art Nr.	0610+0609
Measurements: diameter jar/diameter cover	67,7/73 mm
Measurement: total height	82,25 mm
Material	PP
Colour	colour combination possible

Standard Serie D100

→ Specifications 200 ml Jar

Volume	200 ml/Brimful vol.: 217 ml
Art Nr. (jar + cover)	0474 + 0481
Measurements: diameter jar/*diameter cover	90/90 mm
Measurement: total height	48 mm
Material	PP
Colour	standard white/white
PP Sealing disc	available

* also available with rounded cover

Sharp edge cover

→ Specifications 250 ml Jar

Volume	250 ml/Brimful vol.: 280 ml
Art Nr. (jar + cover)	0475 + 0481
Measurements: diameter jar/*diameter cover	90/90 mm
Measurement: total height	58,7 mm
Material	PP
Colour	standard white/white
PP Sealing disc	available

Rounded cover

→ Specifications 250 ml Jar

Volume	250 ml/Brimful vol.: 280 ml
Art Nr. (jar + cover)	0475 + 0476
Measurements: diameter jar/*diameter cover	90/90 mm
Measurement: total height	58,7 mm
Material	PP
Colour	standard white/white
PP Sealing disc	available

→ Specifications 500 ml Jar

Volume	500 ml/Brimful vol.: 546 ml
Art Nr. (jar + cover)	0418 + 0402
Measurements: diameter jar/diameter cover	94/ 100 mm
Measurement: total height	88,5 mm
Material	PP
Colour	standard white/white
PP Sealing disc	available

→ Specifications 400 ml Jar

Volume	400 ml/Brimful vol.: 460 ml
Art Nr.	0415 + 0402
Measurements: diameter jar/diameter cover	94/100 mm
Measurement: total height	76,8 mm
Material	PP
Colour	standard white/white
PP Sealing disc	available

→ Specifications 250 ml - 300 ml Jar

Volume	250 ml/Brimfull vol.: 330 ml
Art Nr.	0415A + 0402
Measurements: diameter jar/diameter cover	94/100 mm
Measurement: total height	54,5 mm
Material	PP
Colour	standard White/white
PP Sealing disc	available

DuoLine Serie

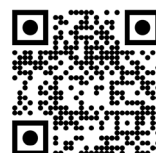

→ Specifications Double Wall Jar "DuoLine"

Volume	50 ml (Brimful vol.: 59 ml)	75 ml (Brimful vol.: 80 ml)
Art Nr. (Jar + cover)	0416-Duo Line + 0430	0417-Duo Line + 0407
Diameter jar/ diameter cover	57/57 mm	62/62 mm
Total height	49 mm	50 mm
Material	PP	PP
Colour	white/natural	white/natural
Sealing inside	available with PP sealing disc only	available with PP sealing disc

→ Specifications Double Wall Jar "Evyta"

Volume	15 ml	30 ml	50 ml	100 ml	250 ml
Brimful Volume:	19,5 ml	37 ml	53 ml	118 ml	280 ml
Art Nr.(jar+cover)	0503+0497	0502+0497	0501+0498	0500+0499	0510+0509
Diameter jar/ jar/cover	48/48 mm	48/48 mm	57/57 mm	70/70 mm	94/94 mm
Total height	31,5 mm	46,7 mm	55,12 mm	68,2 mm	89,5 mm

presentation of our Evyta Serie!

Hot foil stamping

Hot foil stamping is done in-house using full automatic printing, ideal for **high-volume production**. Our standard colors include gold and silver, ensuring a premium finish for every project. This technique adds a touch of elegance and distinction to your products.

Your logo on the cover elevates your product to the next level, creating a premium and lasting impression.

Hotfoil printing:
thin or thick line around the cover

Screw Caps

→ Push Pull Cap DIN 28/410

Art Nr.	0530
Bottle neck dimension	Din28 / 410
Material	PP
Colour	different colours available
Pieces pro carton: jars/covers	3.500 pieces

→ Screw Cap DIN 40

Art Nr.	0505
Bottle neck dimension	DIN 40
Material	PE LD
Colour	different colours available
Pieces pro carton: jars/covers	2.000 pieces

→ Flip-Top Cap DIN 28/410

Art Nr.	0702.24-410
Bottle neck dimension	24/410
Material	PP
Colour	Standaard colour: white
Pieces pro carton: jars/covers	3.500 pieces

HDPE Bottles

→ 100 ml

Art Nr.	20100
Bottle neck dimension	20/410
Material	HDPE
Diam / total height	37,4 / 124 mm
Pieces pro carton: jars/covers	450 pcs

Boston Premium Round Serie

Available in :
100 ml
250 ml
500 ml

→ 300 ml Boston Tall

Art Nr.	1012.BRTALL
Bottle neck dimension	24/410
Material	HDPE
Diam / total height	52,30 / 185,5 mm
Pieces pro carton: jars/covers	150 pcs.

Injection Moulding

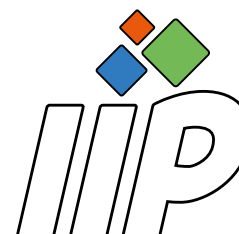

IIP can assist you with over **17 injection moulding machines** with a clamping force of **25 up to 320 ton**. IIP ensures high-quality end product.

Each machine is equipped with advanced peripherals such as a coloring unit, Sepro robot and an automatic vacuum system, which allows the production of most machines to be fully automated. 24-hour run 7/7.

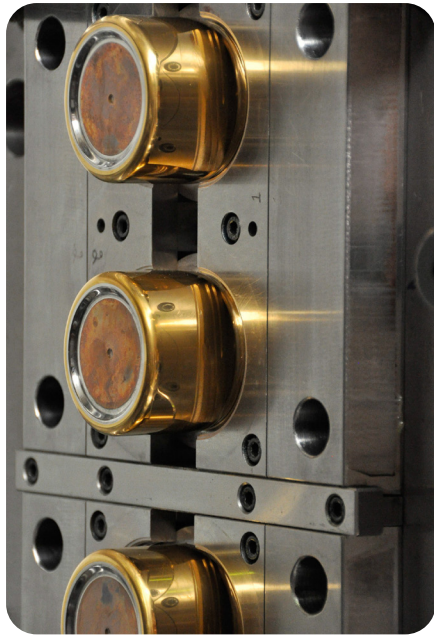

Extrusion Blow Moulding

We've recently added a new machine to produce bottles and hollow products from **50 ml to 750 ml**. It enhances our capacity to deliver high-quality packaging. Explore our wide range of cosmetic jars and bottles, available for both large and small orders.

All under one roof

IIP offers the complete solution for high volume and technical Plastic Injection Moulding - from product concept design, injection moulding, tooling, plastics manufacture, assembly and packaging, plus warehousing and distribution on an international basis - we can help you concentrate on your business.

Second operations:
Ultra sonic welding
- automated assembling.

You can literally walk in our front door with a concept and leave with product ready for retail distribution.

.....

"We have the passion and the knowledge to take your project from conception to completion."

.....

One-stop-shop for design, tooling, manufacture and decoration.

With our own mouldshop we are able to make high precision moulds...

...CNC lathe for making round parts with the highest precision.

We have the modern machines to meet your needs.

Tooling Design and manufacture - from prototype tooling to fully hardened steel.

Over the years we have built up extensive knowledge in manufacturing precision mould tools for the cosmetic industry.
