

## CONTROL AND KEY TRANSFER FOR POOL MAINTENANCE.

### Our promise

A crystal clear and disinfected swimming pool in winter and summer.  
Proactive and discreet maintenance of your pool.

### Payment

Before the check-up and key transfer takes place, the secondhome owner must have paid the amount for the monthly maintenance of his swimming pool to Cristal Blue via the web shop. The invoice also serves as a guarantee certificate.

### Work method

Then an appointment is made for the control of the pool and the transfer of a key for access to the pool.

The technician of Cristal Blue checks with the customer the condition of the pool, which pool accessories are present and on this basis we determine a date for the start of the maintenance.

Depending on the period, the customer receives a periodic report on the performed tasks of the technician via his personal account with Cristal Blue. That way he/she knows, when he/she is not in Spain, that everything is always fine.

### Benefits:

A maintenance contract with Cristal Blue is only to be extended after 12 months on the basis of mutual consent.

The contract can be adapted at any time to your wishes or needs.

We also inform the customer about possible problems before they arise.

The contract gives the customer priority in case of need repair to be done, on customers who do not have a maintenance contract.

Travel incl. Km compensation included.
