# our story

Our Story that brings Hoogendijk Care together with Mum 2 Mum.

Hoogendijk Care is a distributor who supplies Mum 2 Mum products in Europe. We became a distributor to support the needs of growing European businesses who require a reliable supply of exceptional quality products.

Mum 2 Mum is a NZ based company who manufacture and sell award-winning baby products. Mum 2 Mum® was started back in 2004 by young mums dealing with dealing with dribbly babies, reflux, eczema... you name it. They were inspired to create practical, stylish products that really work.

Mum 2 Mum continues to grow and provide quality products that solve everyday parenting issues.

***-Making life easier for parents everywhere!***

# our wonder bib<sup>®</sup> range

**The bib that really works!** Made from 100% cotton, super-absorbent velour toweling with a nylon water resistant backing to keep babies dry. Our Wonder Bibs protect against dribble rash and eczema and are an essential purchase for infants with reflux. Our products are all machine washable, dryer safe, colourfast and stay looking good long after purchase.

**Look out for these great features:**

## What parents say:

“ Can I just say you have the best bibs in the world?! - Dawn ”

“ I'm sure you get this sort of feedback all the time, but just had to write to say your bibs are amazing. I have a very spilly baby and these are the only bibs that work. - Jen ”

# standard wonder bib®

**Birth - 3 Years** The original everyday Wonder Bib. Made from 100% absorbent cotton towelling with a nylon water resistant backing. A must-have for infants with reflux. Holds over a 1/4 cup of liquid and will keep baby clean and dry.

**Birth - 6 Months** The smallest Wonder Bib made for precious newborns and premature babies. Dome closure is cleverly positioned to the side to protect the back of delicate necks and to give easy access for one handed mums whilst breast feeding.

# bandana wonder bib®

**4 Months - 3 Years** All the great features of the Standard Wonder Bib but in a bandana shape. This design is a must-have for dribblers as it bunches under baby's chin helping to keep it dry, protecting them from eczema and dribble rash.
