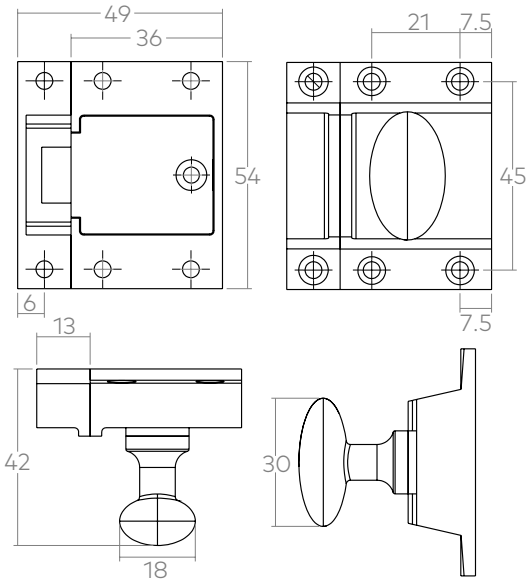
HENDEL & HENDEL

Westgate Collection

Designed to work seamlessly with Greenwich, the Westgate Catch Collection suits shaker cabinetry perfectly. Achieve a paired-back aesthetic whilst incorporating an effective mechanism to secure cabinet doors.
Made from Brass. Includes matching fixings.



CODE	TYPE	FINISHES	DIAMETER	PROJECTION	HOLE CENTRES	LENGTH	WIDTH X HEIGHT
GWECC	Cupboard Catch	BB*, BN, BSB, CP, DBB, MBL, ORB, PBL, PN	-	42mm	-	-	49mm x 54mm

***Living Finish - The hand-applied wax coating will require maintenance if you wish to retain the lighter golden tone. We recommend using metal wax every 4-5 weeks to maintain the appearance, or alternatively, the finish will oxidise and age over time.**
