Night Fire has a unique story. Its fiber, made from bamboo, is spun into extremely thin yarn. This yarn is then tufted in a high density, creating an almost velvet-like surface. The Bamboo yarn is mixed with Eucalyptus yarn to create stunning color mixes.

Interior-design duo Nicemakers developed this rug with us in 8 standard colors.

CARE INSTRUCTIONS

- We advise you to **vacuum** the rug once or twice a week with a normal (upright or cylinder) vacuum cleaner but without the brush or beater bar engaged. Rugs with a high pile need to be vacuumed even more often.
- Do not use a vacuumer with a rotating brush, this will damage the yarn.
- Rugs made from natural materials are subject to some **pilling** during the first few months. This is a common characteristic of natural cut fibers and will disappear after 3 or 4 months of normal use.
- A dry environment can result in extra pilling of the yarn. A **humidity** between 50-70% will benefit the lifecycle of your rug.
- In order to avoid '**regular use marks**', we advise you to turn the rug every once in a while.
- **Wet stains** need to be removed immediately, before the yarn absorbs the fluid. Absorb the stain using a strong absorbing paper (like kitchen paper). Do not, in any case, rub or put pressure on the rug when wet. This can damage the fibers and the structure of the rug.
- **Light stains** can safely be treated with JAMES cleaning agents, which have been successfully tested on our products. Please follow the instructions of the JAMES staindisc, also shown on our site. We can not guarantee safe use of cleaning agents by any other brand, since they have not been tested.

- Please do not use highly acidic cleaning agents to remove stains from your rug. This will cause discoloration of the yarn.
- In case of **heavy staining** or transferred dirt, we advise you to always have your rug drycleaned by a specialist in rug cleaning. Please state clearly that this rug needs to be cleaned without using water.
- When in **doubt**, please don't hesitate to contact us, or take a look on our website, www.frankly.amsterdam/careinstructions, for more information.
