Care-instructions	

Soft Space is the perfect cool weather companion, designed to deliver a gentle, extra-soft touch against the skin. Woven from 100% cashmere, the throw looks almost silk-like in its finishing. What truly makes Soft Space unique is the stylish, long fringe detailing.

Available in 6 beautiful uni colors in size 140x190cm and with 3 reversible dual colors in size 140x220cm, with 8cm long fringes. Crafted by skilled hands in Europe.

Due to the natural fibres in the eco cashmere of color 01, 02 and 03 a slight variation in color tone may occur. This small difference is the result of different harvest lots, these are not considered flaws.

CARE INSTRUCTIONS

Soft Space can best be cleaned by a professional dry-cleaner. Washing, drying or ironing is strictly advised against. If ironing is necessary, only use the cool iron setting. If any slightly bald spots start to uncover, the fabric can be brushed with a firm brush (in the same direction as the fibre) to recover the weave to its original, smooth, even shape.

When in doubt, please don't hesitate to contact us, or take a look on our website, www.frankly.amsterdam/careinstructions, for more information.
