Advantages	+ any size and shape possible + stylish rounded edges + create your own color from 220 uni colors from our Eucalyptus & Mohair box + suitable for residential as well as soft contract

Think Big is not easily overlooked. To think big is to create new thoughts. At Frankly Amsterdam we enjoy a bit of risk taking, while keeping things classy obviously. It made sense that the majority of its surface is made of the finest Eucalyptus yarn. An all-time favorite. It's soft, durable and catches sunlight with a sophisticated gloss. The 20cm border however, is made of sturdy Mohair yarn. With its matte finishing and cool edge, Mohair maintains its shape in any situation. The substantial difference between the two pile heights and rounded corners makes for a bold character.

This quality is suitable for residential use. Being tufted by hand, it can be made to measure in any shape and size desired. Like all of our products, Think Big is of European production. Available in any color and combination from our Eucalyptus and Mohair box.

CARE INSTRUCTIONS

- We advise you to **vacuum** the rug once or twice a week with a normal (upright or cylinder) vacuum cleaner but without the brush or beater bar engaged. Rugs with a high pile need to be vacuumed even more often.
- Do not use a vacuumer with a rotating brush, this will damage the yarn.
- Rugs made from natural materials are subject to some **pilling** during the first few months. This is a common characteristic of natural cut fibers and will disappear after 3 or 4 months of normal use.
- A dry environment can result in extra pilling of the yarn. A **humidity** between 50-70% will benefit the lifecycle of your rug.
- In order to avoid '**regular use marks**', we advise you to turn the rug every once in a while.
- **Wet stains** need to be removed immediately, before the yarn absorbs the fluid. Absorb the stain using a strong absorbing paper (like kitchen paper). Do not, in any case, rub or put pressure on the rug when wet. This can damage the fibers and the structure of the rug.
- **Light stains** can safely be treated with JAMES cleaning agents, which have been successfully tested on our products. Please follow the instructions of the JAMES stain disc, also shown on our site. We can not guarantee safe use of cleaning agents by any other brand, since they have not been tested.

- Please do not use highly acidic cleaning agents to remove stains from your rug. This will cause discoloration of the yarn.
- In case of **heavy staining** or transferred dirt, we advise you to always have your Eucalyptus/Mohair rug dry cleaned by a specialist in rug cleaning. Please state clearly that this rug needs to be cleaned without using water.
- When in **doubt**, please don't hesitate to contact us, or take a look on our website, www.frankly.amsterdam/careinstructions, for more information.

WARRANTY

- Frankly Amsterdam **guarantees** its rugs for 2 years of normal use.
- All our products are made with care. In case a **manufacturing defect** escaped our attention, please inform us within 14 days after delivery and leave the product unused.
- Small differences or **irregularities** in color, weft or size may occur. This is inherent to the use of natural fibers and has to be accepted when within normal commercial tolerances.
- Frankly Amsterdam will not accept any complaint if shading is concerned.
