CARE INSTRUCTIONS

Come Over Blend can best be cleaned by a professional dry-cleaner. Washing, drying or ironing is strictly advised against. If ironing is necessary, only use the cool iron setting. If any slightly bald spots start to uncover, the fabric can be brushed with a firm brush (in the same direction as the fibre) to recover the weave to its original, smooth, even shape.

When in doubt, please don't hesitate to contact us, or take a look on our website, www.frankly.amsterdam/careinstructions, for more information.
