Care-instructions

Soft Space is the perfect cool weather companion, designed to deliver a gentle, extra-soft touch against the skin. Made in the heart of Italy from the finest and longest cashmere fibers, this throw is spun, woven and then finished with the most luxurious zibeline treatment. After weeks of washing, combing, and resting this 100% cashmere throw has a finishing that could be described as silk-like. Soft Space is finished with stylish, long fringe detailing.

Available in 6 uni colors + 3 dual colors.

The fibers of color 01, 02 and 03 are 100% undyed eco cashmere. Due to these natural and undyed fibers, a slight variation in color tone may occur.

CARE INSTRUCTIONS

Soft Space can best be cleaned by a professional dry-cleaner. Washing, drying or ironing is strictly advised against. If ironing is necessary, only use the cool iron setting. If any slightly bald spots start to uncover, the fabric can be brushed with a firm brush (in the same direction as the fibre) to recover the weave to its original, smooth, even shape.

When in doubt, please don't hesitate to contact us, or take a look on our website, www.frankly.amsterdam/careinstructions, for more information.
