

MOHAIR COLORBOX

Next to the colors in our standard collection, you also have the option to order your rug in a color of your own choosing.

For all Mohair rugs we have 110 uni colors available.

It is possible to mix different colors in order to create your customized color.

Next to the color options in this box, the Mohair yarn can also be lab-dyed in any requested color for orders of 40m² and over. The additional, one-off costs for lab-dyed colors are € 750,-.

MOHAIR COLORS

Digital colors differ from reality. No rights can be derived from this digital document. Its purpose is only to serve as a working tool.

ABOUT MOHAIR

MOHAIR YARN ADVANTAGES:

- + Durability: our Mohair yarn is spun to be extremely strong and durable.
- + Breathable: the yarn has a natural breathability, making the yarn cool in summer, but warm in wintertime.
- + Brilliance: Mohair yarn has a silk-like appearance, high luster and sheen.
- + Vibrant coloring: Mohair yarn takes dye exceptionally well, resulting in a range of vivid colors.
- + Absorbent: natural and effective moisture management.
- + Resilient: Mohair has great natural elasticity, causing it to recover to its original shape.
- + Naturally anti-bacterial: resistant to bacteria and therefore suitable for people with allergies.

SUSTAINABILITY OF MOHAIR

- + The Mohair fiber is completely biodegradable.
- + Mohair is, like virgin wool, a renewable product. After the sheering of the goat, its fleece just grows back. In fact, the goats need to be sheered for their own well-being.
- + The sheering of the goat is done in an animal friendly manner.
- + The dyeing of our Mohair yarn is 100% ecological.

POSSIBILITIES

COLOR OPTIONS

- + All colors in this box are available in Mohair yarn (used in our Super Moon and Full Circle, amongst others).
- + Colors can be used uni as well as mixed. The maximum amount of colors mixed in Mohair yarn is 11 colors.

CUSTOM COLORS

Next to all standard color options in this box, the Mohair yarn can also be lab-dyed in any requested color! This is possible for rugs from 40 m² and over. The one-off costs of this special lab-dye is € 750,- and the production time will increase with approximately 2 weeks.

DIFFERENCES IN DYE BATCH

All Mohair yarns are dyed in a natural way, therefore a minimal deviation per dye batch is possible. Per rug we always use yarns from the same dye batch.

SAMPLES

Please contact us for a sample in case you would like to see a chosen color or special pattern. We have many possibilities to adjust pile height, shape, pattern and color to your wishes. For sampling we charge a small amount which will be credited when ordering the actual rug.
