

[illegible]

NIGHT FIRE

Available as	Rug, wall-to-wall, (stair)runner
Design	Nicemakers
Size	Any size and shape possible
Weight	5500 gr/m ²
Height	16 mm
Technique	Hand tufted
Colors	8 Standard colors
Color design	Nicemakers
Material	65% Eucalyptus, 35% Bamboo
Fire classification	Cfl-s1
Advantages	+ any size and shape possible + handtufted + available in 8 standard colors or in pattern.

Night Fire has a unique story. Its fiber, made from Bamboo, is spun into extremely thin yarn. This yarn is then tufted in a high density, creating an almost velvet-like surface. The Bamboo yarn is mixed with Eucalyptus yarn to create stunning color mixes.

Interior-design duo Nicemakers developed this rug with us in 8 standard colors.

CARE INSTRUCTIONS

- We advise you to **vacuum** the rug once or twice a week with a normal (upright or cylinder) vacuum cleaner but without the brush or beater bar engaged. Rugs with a high pile need to be vacuumed even more often.
- Do not use a vacuumer with a rotating brush, this will damage the yarn.
- Rugs made from natural materials are subject to some **pilling** during the first few months. This is a common characteristic of natural cut fibers and will disappear after 3 or 4 months of normal use.
- A dry environment can result in extra pilling of the yarn. A **humidity** between 50-70% will benefit the lifecycle of your rug.
- In order to avoid '**regular use marks**', we advise you to turn the rug every once in a while.
- **Wet stains** need to be removed immediately, before the yarn absorbs the fluid. Absorb the stain using a strong absorbing paper (like kitchen paper). Do not, in any case, rub the rug when wet. This can damage the fibers and the structure of the rug.
- **Light stains** can safely be treated with JAMES cleaning agents, which have been successfully tested on our products. Please follow the instructions of the JAMES staindisc delivered with the James starter kit. Treating stains within 24 hours increases the possibility of successful stain removal, nevertheless, complete removal can never be

guaranteed. The usage of a cleaning agent that is not tested on our products cannot be guaranteed for safe cleaning.

- Please do not use highly acidic cleaning agents to remove stains from your rug. This will cause discoloration of the yarn.
- In case of **heavy staining** or transferred dirt, we advise you to always have your Eucalyptus/Bamboo rug dry cleaned by a specialist in rug cleaning. Please state clearly that this rug needs to be cleaned without using water.
- When in **doubt**, please don't hesitate to contact us, or take a look at www.frankly.amsterdam/careinstructions for more information.

WARRANTY

- Frankly Amsterdam **guarantees** its rugs for 2 years of normal use.
- All our products are made with care. In case a **manufacturing defect** escaped our attention, please inform us within 14 days after delivery and leave the product unused.
- Small differences or **irregularities** in color, weft or size may occur. This is inherent to the use of natural fibers and has to be accepted when within normal commercial tolerances.
- Frankly Amsterdam will not accept any complaint if shading is concerned.
