

## BAMBOO COLORBOX

Next to the colors in our standard collections, you also have the option to order your rug in a color of your own choosing.

All Bamboo colors in this presentation are available as uni color or as mixed color with a maximum of 7 colors.

Next to the color options in this box, the Bamboo yarn can also be lab-dyed in any requested color for orders of 40m<sup>2</sup> and over. The additional, one-off costs for lab-dyed colors are € 750,-.

## BAMBOO COLORS

Digital colors differ from reality. No rights can be derived from this digital document. Its purpose is only to serve as a working tool.

## ABOUT BAMBOO

### 100% BAMBOO YARN ADVANTAGES:

- + Soft to the skin: Bamboo yarn is very fine and has a soft feel.
- + Velvet look: Bamboo yarn has a luxurious appearance with elegant shine.
- + Vibrant coloring: Bamboo colors have a melange look and are available in a range of vivid colors.
- + Anti-bacterial: resistant to bacteria and therefore suitable for people with allergies.
- + Smell resistant: this antibacterial yarn resists the growth of bacteria on the fiber.

### SUSTAINABILITY OF BAMBOO:

- + Bamboo yarn is environmental friendly. It comes from a natural and sustainable source.
- + During growth the soil and roots aren't disturbed which is great for soil health.
- + It is a renewable source and the fastest growing woody plant on our planet.
- + It releases abundant oxygen into the atmosphere.
- + The dyeing of our Bamboo yarn is eco-friendly.

### CERTIFICATIONS

NP EN ISO 9001:2008 certified by TUV Rheinland  
Burning classification - EN 13501-1:2010 - Cfl-s1

## POSSIBILITIES

### COLOR OPTIONS

- + All colors in this box are available in our Bamboo yarn qualities, such as Day Light.
- + Colors can be used uni as well as mixed. The maximum amount of colors mixed in Bamboo yarn is 7 colors.

### CUSTOM COLORS

Next to all standard color options in this box, the Bamboo yarn can also be lab-dyed in any requested color! This is possible for rugs from 40 m² and over. The one-off costs of this special lab-dye is € 750,- and the production time will increase with approximately 2 weeks.

### DIFFERENCES IN DYE BATCH

All Bamboo yarns are dyed in a natural way, therefore a minimal deviation per dye batch is possible. Per rug we always use yarns from the same dye batch.

### SAMPLES

Please contact us for a sample in case you would like to see a chosen color or special pattern. We have many possibilities to adjust pile height, shape, pattern and color to your wishes. For sampling we charge a small amount which will be credited when ordering the actual rug.
