

COTTON COLORBOX

We offer a wide range of 55 standard colors for our Cotton rugs.

It is also possible to create a unique color mix, using up to 10 different colors.

Additionally, for orders of 10 m² or more, we provide the option to have the Cotton yarn lab-dyed in a custom color of your choice. Please note that there is an additional, one-time cost of €750 for lab-dyed colors.

POSSIBILITIES

COLOR OPTIONS

Colors can be used individually as well as mixed. A maximum of 10 different colors can be mixed.

CUSTOM COLORS

Next to all standard color options in this box, the Cotton yarn can also be lab-dyed in any requested color. This is possible for rugs from 10 m². The one-off costs of this special lab-dye is € 750 and will result in a production time increase of approximately 2 weeks.

DIFFERENCES IN DYE BATCH

All Cotton yarns are dyed using natural methods, which may result in minimal variations per dye batch. For each rug, we consistently use yarns from the same dye batch.

SAMPLES

Please contact us for a sample if you would like to see a chosen color or special pattern. We have many possibilities to adjust pile height, shape, pattern and color to your wishes. For sampling we charge a small amount which will be credited when ordering the actual rug.
