Care-instructions	

Calm Down is our matte line of bed linen. The 100% natural cotton is woven in a percale bind, making the fabric matte and having a great texture. This high-quality fabric is then sewn and assembled into bespoke bedding by skilled, experienced hands in Italy.

This results in the kind of sophisticated detailing that Italian luxury is so famous for. It is custom made for you in any size, color and finishing you prefer. Breathable, soft and suitable to sensitive skin.

## CARE INSTRUCTIONS

- Washing: Wash at a maximum of 40°C to minimize shrinkage and protect the fabric. Use a mild liquid detergent and avoid overuse to prevent stains and wear.
- Centrifuging: Choose a low spin speed to reduce wrinkles and extend the lifespan of the fabric.
- Drying: Air-dry your bedding by hanging it up. If using a tumble dryer, select a low temperature to prevent shrinkage and wear.
- If needed, iron on a low setting while the fabric is still slightly damp for the best results.
- General Tips: Wash dark and light colors separately to avoid color transfer. Avoid bleach, as it can damage the fabric and cause fading.
