COLOR OPTIONS

BAMBOO COLORS

Next to the colors in our standard collections, you also have the option to order your rug in a color of your own choosing.

All Bamboo colors in this presentation are available as uni color or as mixed color with a maximum of 6 colors.

Next to the color options in this box, the Bamboo yarn can also be lab-dyed in any requested color for orders of 12m² and over. The additional, one-off costs for lab-dyed colors are € 350,- per rug.

BIODEGRADABLE PET COLORS

We offer a wide range of 35 standard colors for our Biodegradable PET rugs.

It is also possible to create a unique color mix, using up to 6 different colors.

Additionally, for orders of 6 m2 or more, we provide the option to have the Biodegradable PET yarn lab-dyed in a custom color of your choice. Please note that there is an additional, one-time cost of €750 for lab-dyed colors.

WOOL COLORS

Next to the colors in our standard collections, you also have the option to order your rug in a color of your own choosing.

For the thicker wool yarn, used in Cross Over and Higher Ground, we have no less than 110 colors available.

For thin wool yarn (a Mohair quality), used in En Suite, we have 81 colors available. These colors are marked with a *.

Colors marked with ^{NW} are natural wool colors. This yarn is unbleached, undyed and comes directly from the sheep. Therefor small differences in color may occur. This is just a small part of our entire wool and natural wool color range. It is possible to mix different colors in order to create your customized color.

Next to all extra color options in this box, the wool yarn can also be lab-dyed in any requested color. Ask about the terms!
