

FRANKLY AMSTERDAM

PRICE LIST CONTRACT COLLECTION
January 2025

TERMS AND CONDITIONS

Our general terms and conditions of sales apply to all our agreements, quotations and offers. Please find a copy at www.frankly.amsterdam/salesconditions or at the Chambers of Commerce Amsterdam number 34393141. The terms and conditions used by the other party shall be explicitly excluded.

Every product made from a natural material is unique. Therefore a small difference in size or color may occur. We strongly advise not to expose fabrics of our indoor products to direct sunlight.

Frankly Amsterdam is owner of the goods until they have been completely paid.

PRICES

Prices to public are issued in euros, including VAT. The price per m2 does not include the shipping costs and installation costs.

SHIPPING

Goods travel at buyer's risk and danger: possible damages must be reported at delivery immediately. For transportation of our rugs we collaborate closely with shipping agencies specialised in high-end transportation. The rugs are shipped in rolls that have to be transported laying down, and can not be stacked underneath other cargo under any circumstance. Because of this precise method of transportation, damages in transport rarely occurs. Despite this, we advise you to check the roll upon receipt for any damages. Please make sure to confirm that the packaging and the roll are both still in tact. Any unexpected damages discovered upon arrival must be noted on the loading bill. Alongside this, Frankly Amsterdam wishes to receive notice of the damages, including pictures of the damaged packaging. After the client signs for completed delivery, there is no possibility to claim transport damages.

SHIPPING COSTS

- Shipping costs vary per order depending on the number or rolls, size of the rolls, the country and the shipping method. Please see the overview on the next page.
- All orders under €350,- (purchase price excluding VAT) are subject to a surcharge. The freight/administration surcharge is €29,-

DELIVERY

The delivery time of our tufted rugs is 6/8 weeks including transportation. The delivery time of our woven rugs and wall rugs is 8 weeks including transportation. The delivery date stated on the order confirmation is approximate and free of obligation. This shall not be considered to be a strict deadline unless a certain delivery date is explicitly guaranteed by Frankly Amsterdam.

For tufted rugs we can offer a quick delivery sevice. If the requested yarn is on stock, the rug can be shipped within 48 hours or 2 weeks. Feel free to contact us for the conditions and prices.

The cutting and seaming together of a flatweave is a precise and time consuming process with the resulting join likely to be variable in appearance. The durability of seams cannot be guaranteed in multi-width installations, therefore we do not recommend side-to-side or end-to-end joins in a flatweave product. In case seams are desired, it is advisable to use a metal binding strip in case of head seams OR use a carpet seam sealer to seal the edges after cutting.

The cutting and seaming together of a flatweave is a precise and time consuming process with the resulting join likely to be variable in appearance. The durability of seams cannot be guaranteed in multi-width installations, therefore we do not recommend side-to-side or end-to-end joins in a flatweave product. In case seams are desired, it is advisable to use a metal binding strip in case of head seams OR use a carpet seam sealer to seal the edges after cutting.

CARE INSTRUCTIONS INDOOR RUGS

All our products are made with care and attention. In order to keep them as beautiful as they are, please mind the following care instructions:

- We advise you to vacuum the carpet once or twice a week for domestic applications and light use areas. For commercial applications and heavier traffic use, daily vacuuming is advised to reduce the presence and buildup of loose dirt particles.
- For flat weave carpets use a suction only vacuum to prevent distortion or pilling of the carpet surface. Do not use the brush or beater bar.
- While vacuuming, the starting point should be varied each time to make sure that the carpet is not always brushed in the same direction.
- Wet stains need to be removed immediately, before the yarn absorbs the fluid. Absorb the stain using a strong absorbing paper (like kitchen paper) or clean towel.
- High traffic area stains from castor wheels, luggage and service trollies may result in rubber transfer markings. Rubber markings may become sticky or attract dirt from foot and wheeled traffic builds up on the original stain. Remove rubber from the fibres using an approved gel type solvent. The treated area must be thoroughly rinsed out otherwise any remaining residue will continue to attract dirt.
- Light stains can safely be treated with JAMES cleaning agents, which have been successfully tested on our products. Please follow the instructions of the JAMES staindisc delivered with the James starter kit. Treating stains within 24 hours increases the possibility of successful stain removal, nevertheless, complete removal can never be guaranteed. The usage of a cleaning agent that is not tested on our products cannot be guaranteed for safe cleaning.
- In case of heavy staining or transferred dirt, we advise you to always have your rug cleaned by a specialist in rug cleaning.
- When in doubt, please don't hesitate to contact us or take a look on our website, www.frankly.amsterdam/careinstructions, for more information.

CARE INSTRUCTIONS OUTDOOR RUGS

- We recommend regular (monthly) cleaning of the outdoor rug.
- Vacuum the rug with a normal (upright or cylinder) vacuum cleaner without the brush or beater bar engaged. Avoid vacuuming over 1200W.
- After vacuuming, you can use cold water with a pH neutral soap or a non-ionic detergent to remove all dirt on both sides of the rug. Dry the rug in the sun afterwards.
- Stains need to be removed as soon as possible. Absorb the stain using a strong absorbing paper (like kitchen paper) or a clean cloth.
- Remove stains using pH neutral soap or dish soap and scrub it gently with warm water.
- Do not use highly acidic cleaning agents to remove stains from your rug. This can cause discoloration of the yarn.
- In case of heavy staining we advise you to always have your rug cleaned by a specialist in rug cleaning.
- To avoid the rug getting moldy hang or lay down the rug in sunlight on a clean surface. For the rug to be completely dry, alternate the sides.
- If you would like to storage your outdoor rug you need to clean it properly first. Make sure you never fold your rug. You have to roll it up, wrap it in plastic and secure it with tape for example.
- When in doubt, please don't hesitate to contact us, or take a look on our website, www.frankly.amsterdam/careinstructions, for more information.

WARRANTY

- Frankly Amsterdam guarantees its rugs for 2 years of normal use.
- All our products are made with care. In case a manufacturing defect escaped our attention, please inform us within 14 days after delivery and leave the product unused.
- Small differences or irregularities in color, weft or size may occur. This is inherent to the use of natural fibers and has to be accepted when within normal commercial tolerances.
- Frankly Amsterdam will not accept any complaint if shading is concerned.
