THANK YOU FOR YOUR TRUST

A successful processing of your complaint is only possible with a completely filled out complaint form. It is therefore essential that you enclose the complaint form with your return shipment. Please note that complaints that have to be sent to the manufacturer for inspection take approx. 14 days. Returns are at your own risk and expense, please make sure your package is insured and sent with a track and trace. Please return within 14 days after receiving your package. We don't accept returns outside the EU. The refund will be made with the original payment method.
