

## Floorlayer Holster Pockets Trousers, Rip-Stop

Holster pocket floor layer trousers ideal for everyday use and when long hours are spent on the knees. The loose fit trousers merge working comfort with protection, durability and flexibility to ensure optimal performance.

Holster pocket floor layer trousers that provide reliable protection when long hours are spent on the knees. DuPont™ Kevlar® fiber-reinforced knee pockets ensure protection and comfort while adjustments at the knees help keep the kneepads in optimum position during work. The trousers are made of a light rip-stop fabric that is hardwearing and ensures durability to withstand the wear and tear of everyday use. In addition, the trousers feature an extra leg pocket on the thigh and a ruler pocket with a loose end for increased comfort. Reinforced thighs and leg ends offer extra durability.
