

Plumber's Knife VVS

Plumber's knife featuring a file that can be used to remove burrs. It features a unique function for attaching the holster around a button on your work clothes so that it does not come loose whilst still being easy to remove. The blade is made from German knife steel, 2.5 mm stainless steel that has been hardened to 57–59 HRC.

Features

- The cutting edge has been sharpened in several stages, with a final honing on a leather strop.
- Both the handle and holster are made from super-durable PP plastic.
- The holster can be attached to both a belt and a button on your work clothes. If your belt is thick, cut away the small pin on the cover.
- The plumber's knife VVS fits in the same holster as HVK.

Work trouser holster lock, Adjustable belt holster, Stainless steel, 2.5 mm thick blade
