Molded Base Open-Top Toolbox

The Molded Base Open-Top Toolbox is a multiple-pocket, open-top toolbox constructed with 1680D ballistic polyester and featuring a long-lasting molded base. The large 15" main section fits small power tools, larger hand tools and other essentials, and a sturdy rotatable ergonomic handle delivers unobstructed full access to the main compartment.

- Open-top design with rotatable bar handle for easy access.
- 1680D ballistic polyester construction with durable molded base.
- Ergonomic carrying handle and adjustable padded shoulder strap.
- Wide open main compartment for small power tools.
- 2 Large zippered pockets for parts, testers, or valuables.

Dimensions Approx. 380 x 450 x 300 mm
