

Windstopper Fleece Lined Jacket

The ultimate softshell jacket, offering lightweight, windproof protection and freedom of movement. With reflective details and multiple pockets, it's perfect for professionals in any season.

This versatile jacket combines windproof 2-layer softshell fabric with an extremely comfortable, fully-stretch Polartec® Shed Less fleece lining. The padded sleeves provide extra warmth in cooler weather, while the adjustable straps at the cuffs help block out wind. Reflective elements on the sleeves, back collar and zipper pullers ensure visibility, making this jacket a practical choice for carpenters, electricians, and facility managers across various industries. The brushed tricot chin guard and high fleece-lined collar enhance comfort and wind protection. Multiple pockets—including two zipped front pockets, a zipped chest pocket, and two spacious interior stow pockets—offer convenient storage for all your essentials.

- Windproof and water-repellent 2-layer softshell
- Polartec® Shed Less fleece lining reduces textile shedding by 85% during home laundry
- Reflective details enhance visibility and safety
- High fleece-lined collar for comfort and wind protection
- Inner pockets: one pen pocket, two large stow pockets
- Outer pockets: one zipped chest pocket, two zipped front pockets
