

Stretch Trousers

These ultimate all-round trousers offer incredible freedom of movement with 4-way stretch fabric. Built with CORDURA® reinforcements, plenty of pockets, and a sporty look, they're ready for any task.

Discover a new generation of workwear trousers that combine functionality and comfort with a sporty, outdoor-inspired look. Crafted from soft 4-way stretch fabric, they offer exceptional freedom of movement, making them ideal for carpenters, roofers, electricians, and more. Integrated back pockets keep everything accessible without adding bulk, while CORDURA® reinforcements in key areas ensure durability. Cargo pockets, including an inner mobile pocket inside the left cargo pocket, provide practical storage options. A ruler pocket equipped with a knife attachment adds extra functionality. Certified to EN 14404, these trousers deliver reliable protection on the job, with practical tool holders on both sides and easy-access zipped pockets. Built to withstand tough tasks, they offer all-day comfort with a clean, streamlined look.
