

Stretch Loose Fit Work Trousers

Versatile work trousers with stretch and loose fit designed for optimal comfort and mobility during most types of work.

Loose-fit work trousers that offer great comfort in most conditions. The 2-way stretch material provides flexibility and has been complemented with 4-way stretch panels in the back for increased mobility. The work trousers feature CORDURA® at critical areas and pockets for extra durability. In addition, the work trousers come with EN 14404-certified knee protection with reinforced KneeGuard™ system for increased durability and protection.

- 2-way stretch fabric with 4-way stretch panels at back
- KneeGuard™ system with stretch CORDURA® reinforcement
- Pre-bent legs
- Stretch CORDURA® at the knees for extra flexibility
- CORDURA®-reinforced ruler- and cargo pockets

Material

Main Material: 47% Cotton, 31% Polyester, 22% T400 Polyester 237.0 g/m2, Contrast: 92% Polyamide, 8% Elastane 250.0 g/m2, Knee Reinforcement: 54% T400 Polyester, 46% Polyester 320.0 g/m2

An extremely tough and hardwearing material, used to reinforce exposed parts such as pockets, knees and sleeves. It is also water and dirt repellent, easy to care for and retains its shape. The OEKO-TEX® label indicates the additional benefits of tested safety for skin-friendly clothing and other textiles. The International OEKO-TEX® Association is an independent test institute, testing textiles for harmful substances according to OEKOTEX® Standard 100 for textile products of all types which pose no risk whatsoever to health. Sorona®
