Important safety information

Please read this manual carefully. Failure to follow the recommendations in this manual may be dangerous or may damage the equipment. Eutonomy and its distributor and seller shall not be liable for any loss or damage resulting from failure to comply with the instructions in this manual. The equipment is intended for use as a Z-Wave smart switch and is not intended for use as a power source. Follow the disposal instructions. Do not dispose of electronic equipment in a fire.

Product Description

The euFIX adapters bring more professionalism to your Smart Home.

By using this professional solution you are able to mount the FIBARO modules at DIN rail TH35 and hide them cleverly in a wall or ceiling box. You have the choice between two versions: with or without button.

The Eutonomy euFIX S223NP is suitable for the FIBARO Double Switch 2 ([FIBEFGS-223](#)) and has no button.

Features:

- Suitable for FIBARO FGS-223
- Version without button
- Power supply: 230V, 50/60Hz
