ABOUT ELEMENTI

Fire – The most important and significant role in humanity's development. The history of human development tells us that using fire was human access freedom and conquer nature's new era after the fabrication of stone implement.

Based in Los Angeles, CA.. **Elementi** is a group of artists and craftsmen that are dedicated to bringing bold outdoor living and landscape features to the market. Our directive is to design and manufacture features that are an artistic combination of form and function. For our fire feature line of products, we start by finding or creating items that are beautiful on their own. We then add fire burners to them and turn them into statement pieces that will be sure to become the center piece of any patio or landscape design.

Our dedicated engineers have designed and built all of the burner systems we use in our fire features. By manufacturing our burner systems in-house, we are able to get the correct size and shape for each burner we put in our fire features. We can also modify the burner ring and BTU output to achieve a desired effect from the flame.

CUSTOM MANUFACTURING

Whether your preference is natural, historic or modern, Our designers can accommodate any style or period preference. We manufacture fire features for both residential and commercial installations with BTU outputs ranging from 20,000 BTU up to 250,000 BTU. We can also incorporate features such as safety valves, pilot systems and electronic / remote ignition into all of our fire features.

PRIVATE LABEL MANUFACTURING

Large capacity production is no problem for us. We can supply full truckload quantities of private label products for large volume retailers. Our designers are capable of modifying our current designs or working with purchasing departments to create designs to meet their needs.

CERTIFICATION STANDARDS

Elementi fire system, all strictly follow the standard of North American ANSI Z21.97-2017/CSA 2.41-2017 and the European Union requesting. Achieved the CSA and CE certificates. CSA certificates is the most authoritative institutions in North America for products safety, environmental protection.

MANHATTAN FIRE TABLE

OFG103

Product Description:

- Body construction: High performance cast concrete
- Burner ring size: 30.5 cm diameter
Burner ring construction: 16 gauge, 304 stainless steel
- Burner pan size: 51.5 x 51.5 x 5 cm (I.D.)
Burner pan construction: 16 gauge, 304 stainless steel
- Control system: Electronic ignition with auto safety shut-off
- Natural gas item number: OFG103NG
Propane item number: OFG103LP
- Maximum Heat Output: 45,000 BTUs
- Certification: CSA & CE Certified
- Media: 9 kgs lava rock (included)
- Canvas cover included
- Warranty: 1 year
- Matching tank cover and wind screen available

Specifications	Length (cm)	Width (cm)	Height (cm)	Weight (kgs)
Product	91	91	40	64
Package	98	98	47	71

LUNAR BOWL FIRE TABLE

OFG101

Product Description:

- Body construction: High performance cast concrete
- Burner ring size: 30.5 cm diameter
Burner ring construction: 16 gauge, 304 stainless steel
- Burner pan size: 60.3 cm diameter (I.D.)
Burner pan construction: 16 gauge, 304 stainless steel
- Control system: Electronic ignition with auto safety shut-off
- Natural gas item number: OFG101NG
Propane item number: OFG101LP
- Maximum Heat Output: 45,000 BTUs
- Certification: CSA & CE Certified
- Media: 12 kgs lava rock (included)
- Canvas cover included
- Warranty: 1 year
- Matching tank cover and wind screen available

Specifications	Length (cm)	Width (cm)	Height (cm)	Weight (kgs)
Product	107	107	40	65
Package	112	112	46	78

GRANVILLE FIRE TABLE OFG121

Product Description:

- Body construction: High performance cast concrete
- Burner size: 76.2 cm Length
Burner ring construction: 16 gauge, 304 stainless steel
- Burner pan size: I Type 104.8 x 28.6 x 5 cm (I.D.)
Burner pan construction: 16 gauge, 304 stainless steel
- Control system: Electronic ignition with auto safety shut-off
- Natural gas item number: OFG121NG
Propane item number: OFG121LP
- Maximum Heat Output: 45,000 BTUs
- Certification: CSA & CE Certified
- Media: 6 kgs lava rock (included)
- Canvas cover included
- Warranty: 1 year
- Matching tank cover and wind screen available

Specifications	Length (cm)	Width (cm)	Height (cm)	Weight (kgs)
Product	152	69	43	80
Package	159	76	49	88

METROPOLIS FIRE TABLE OFG104

Product Description:

- Body construction: High performance cast concrete
- Burner ring size: 30.5 cm diameter
Burner ring construction: 16 gauge, 304 stainless steel
- Burner pan size: D51.5 x 5 cm (I.D.)
Burner pan construction: 16 gauge, 304 stainless steel
- Control system: Electronic ignition with auto safety shut-off
- Natural gas item number: OFG104NG
Propane item number: OFG104LP
- Maximum Heat Output: 45,000 BTUs
- Certification: CSA & CE Certified
- Media: 6 kgs lava rock (included)
- Canvas cover included
- Warranty: 1 year
- Matching tank cover and wind screen available

Specifications	Length (cm)	Width (cm)	Height (cm)	Weight (kgs)
Product	142	81	35	66
Package	148	87	42	74

HAMPTON FIRE TABLE

OFG139

NEW

Product Description:

- Body construction: High performance cast concrete
- Burner size: 76.2 cm Length
Burner ring construction: 16 gauge, 304 stainless steel
- Burner pan size: I Type 104.8 x 28.6 x 5 cm (I.D.)
Burner pan construction: 16 gauge, 304 stainless steel
- Control system: Electronic ignition with auto safety shut-off
- Natural gas item number: OFG139NG
Propane item number: OFG139LP
- Maximum Heat Output: 45,000 BTUs
- Certification: CSA & CE Certified
- Media: 6 kgs lava rock (included)
- Canvas cover included
- Warranty: 1 year
- Matching tank cover and wind screen available

Specifications	Length (cm)	Width (cm)	Height (cm)	Weight (kgs)
Product	142	81	35	66
Package	148	87	42	74

KINGSALE FIRE TABLE

OFG126

Product Description:

- Body construction: High performance cast concrete
- Burner size: 76.2 cm Length
Burner ring construction: 16 gauge, 304 stainless steel
- Burner pan size: I Type 104.8 x 28.6 x 5 cm (I.D.)
Burner pan construction: 16 gauge, 304 stainless steel
- Control system: Electronic ignition with auto safety shut-off
- Natural gas item number: OFG126NG
Propane item number: OFG126LP
- Maximum Heat Output: 45,000 BTUs
- Certification: CSA & CE Certified
- Media: 6 kgs lava rock (included)
- Canvas cover included
- Warranty: 1 year
- Matching tank cover and wind screen available

Product Description:

- Body construction: Natural Stone
- Burner ring size: 25.0 cm diameter
Burner ring construction: 16 gauge, 304 stainless steel
- Burner pan size: 45.1 cm diameter (I.D.)
Burner pan construction: 16 gauge, 304 stainless steel
- Control system: Electronic ignition with auto safety shut-off
- Natural gas item number: OFS015NG
Propane item number: OFS015LP
- Maximum Heat Output: 40,000 BTUs
- Certification: CSA & CE Certified
- Media: 6 kgs lava rock (included)
- Warranty: 1 year

Specifications	Length (cm)	Width (cm)	Height (cm)	Weight (kgs)
Product	70-90	60-75	40-45	240-285
Package	90	90	60	280-300

TANK COVER

NEW

SQUARE TANK COVER
51cm H

Product Description:

- Item Number: ONB01-104
- Body construction: High performance cast concrete
- Product size: 51 x 51 x 51 cm
- Product weight: 18 kgs

BOULDER TANK COVER
63cm H

Product Description:

- Item Number: ONB01-117
- Body construction: High performance cast concrete
- Product size: 55.9 x 50 x 62 cm
- Product weight: 19 kgs

ROUND TANK COVER
51cm H

Product Description:

- Item Number: ONB01-107/119
- Body construction: High performance cast concrete
- Product size: 51 x 51 x 51 cm
- Product weight: 14 kgs

ONB01-107

ONB01-119

COLUMBIA TANK COVER
63cm H

Product Description:

- Item Number: ONB01-106
- Body construction: High performance cast concrete
- Product size: 47 x 38.1 x 62 cm
- Product weight: 19kgs

SQUARE TANK COVER
62cm H

Product Description:

- Item Number: ONB01-105
- Body construction: High performance cast concrete
- Product size: 45 x 45 x 62 cm
- Product weight: 19 kgs
- Top moveable

ROUND TANK COVER
62cm H

Product Description:

- Item Number: ONB01-207
- Body construction: High performance cast concrete
- Product size: 45 x 45 x 62 cm
- Product weight: 16 kgs

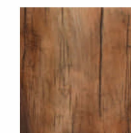

MANCHESTER TANK COVER
62cm H

Product Description:

- Item Number: ONB01-118
- Body construction: High performance cast concrete
- Product size: 47 x 49.5 x 62 cm
- Product weight: 19 kgs

Available colors:

Redwood
ONB01-118RW

Classic Grey
ONB01-118CG

Driftwood
ONB01-118DW

NEW

SEAT

BOULDER SEAT

Product Description:

- Item Number: ONE01-102
- Body construction: High performance cast concrete
- Product size: 46 x 37.1 x 38.1cm
- Product weight: 16 kgs

COLUMBIA SEAT

Product Description:

- Item Number: ONE01-101
- Body construction: High performance cast concrete
- Product size: 47 x 38.1 x 45cm
- Product weight: 16 kgs

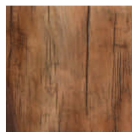

WARREN SEAT

Product Description:

- Item Number: ONE01-103
- Body construction: High performance cast concrete
- Product size: 35 x 35 x 45 cm
- Product weight: 12.7 kgs

Available colors:

Redwood
ONE01-103RW
