Produced by Yart Factory.
Designed by WOOM.

A collection of modern, minimalist decorative objects, primarily made of light-colored wood and black material, displayed on a white surface against a white background. The objects include: a tall, thin wooden stool with a wide, flat top and a large, stylized 'X' shaped base; a black, cylindrical lamp with vertical slats and a small light bulb; a wooden desk organizer with a black base and a white top, holding two small cards that read "stay positive" and "enjoy every moment"; a wooden vase with a black base, holding several dried, colorful flowers; a black, rectangular desk organizer with a white top, holding a pen and a small card; a black, circular object with a white center, possibly a small table or a decorative piece; and a wooden, arched object with a black base, holding three dried flowers. The objects are arranged in a cluster, creating a modern and minimalist aesthetic.
